All Safely built racecars welcome! Must pass safety inspection. Lineup is by pill draw, standing start at the start/finish line, 3 wide line up. 200 lap Enduro. The first 5 cars to complete the 200 laps completes the race. There are no cautions in an endurance race. If your car becomes disabled, leave your window net up, seat belts fastened, and helmet on. Give the thumbs up to the safety crew. Be prepared to be pushed by another competitor to safety. In the event of a red flag for a safety concern: hard impact, fire, fuel or oil spill, roll over and etc. The all stop is required for a red flag. No passing is allowed under red. When the race is safe to resume, the green light and green flag will be presented. Any car not adhering to the red flag or passing under red will be DQ'd, this is a zero tolerance rule. Top 5 finishers will receive payout. There will be a hot pit lane for fuel, tires, cooling, and repairs. If you leave the track and the hot pit, you will not be allowed to return to the race.

Pre-Race Ceremony begins at Noon. All cars need to be in there lineup position on the front stretch before Noon. A 3 wide standing start will begin the race. All kids in costume will be allowed to trick or treat on the front stretch. Drivers may have a crew member on the track at this time for passing out candy and final preparations before the race. After trick or treating, the National Anthems will be honored. The track will be cleared of crew and spectators. Once the track is safe, the race will begin. Costume contest voting will continue during the event. Voting will end at 1pm. Voting ballots, and a bucket will be provided for the costume contest. With 20 laps to go the winners will be announced. Both adult and kids costume contest winners will go to the Windermere Winner circle after the race for awards presentations. Pictures will be taken with all of the winners.
